

WAVE New generation sunlounger!

it's the ideal choice for moments of leisure and relaxation. Combining our experience with fresh innovations in injection technology, glassfibre polypropylene and aluminium frame mixation, water-resistant textile material combination takes sunlounger to a whole new level. Open, light shapes and breezy outlines are merged with comfort, the ability to stack, and stability. The wide backrests are ergonomically designed, hugging the body comfortably in a timeless design. Perfectly suitable for both home and contract environments.
