No periodic maintenance required.

### Certification, labels, warranty

---

High level outdoor  
Resistance

Corrosion Resistant

2 Years  
Warranty

Cataphoresis  
Coating

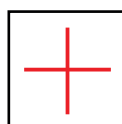

### Recommended Base Position

---

We always recommend that for the center base you attach the base to the top so the legs follow the diagonal of the top. If you choose to fix your tops to the base with the legs in cross direction, you need to use one size smaller bases than recommended for square tops otherwise the legs will be wider then the top
